

COWL VENT

Mariner, O'Day 22, O'Day 23, O'Day 25

Kit Contains:

<u>Quantity</u>	<u>Description</u>	<u>Part #</u>
1	Cowl Vent	52016
6	#6 x 1/2" FH	60882

Using a 4 1/2" hole saw, cut the hole in the middle of deck at the following locations:

Mariner - 26" from stem head

O'Day 22 - 8" from stem head

O'Day 23 - 12" from aft edge of anchor locker

O'Day 25 - 12" from aft edge of anchor locker

When installing the cowl vent base plate be sure the vent is tight in base and aiming aft before drilling holes.
